

FAU/IAB-Seminar Macroeconomics and Labor Markets

Winter Term 2022/23

-online via Zoom-

The Chairs of Macroeconomics (Christian Merkl) and Global Governance and International Trade (Christoph Moser) at FAU and the Macroeconomic domain at IAB co-organize a joint seminar series at the intersection of macroeconomics, trade and labor economics. The seminar typically takes place on Tuesdays at noon or 2 pm (German time). A preliminary schedule can be found below. Zoom login information will be distributed by e-mail. If you are a researcher and you are interested to join the talks, please send an e-mail to macrolabor.seminar@gmail.com.
